# Things to consider

- We can hire mini bus for 20 people to allow for luggage, plants & other purchases (Grand Chamelion)
- Other possibility is to car pool if we have more than 20 or we car pool for everyone – approx. 6/7 cars
- Cost of bus hire is \$275 plus GST per day plus fuel
- If Scott is the driver cost is an additional \$600 plus his accommodation but we have 2 locals who have licence to drive bus (currently Max Irwin-Brown has offered to drive the bus for us) – club would pay accommodation
- Tyalgum pub has 5 Queen rooms, 6 double rooms, 2 family rooms which have queen beds & 2 single beds in adjoining area – would people be prepared to share? Costs are between \$113 - \$143/room
- Showers & toilets are down the passage
- Guest house next to Flutterbies isn't available, limited other accommodation within 10km
- Final costs will be worked out once we know how many people are interested
